## LETTER FROM THE BOARD

---

Under the Listing Rules, the Company is required to provide you with information reasonably necessary to enable you to make an informed decision as to whether to vote for or against the resolutions to be proposed at the Annual General Meeting. This circular is also prepared for such purpose.

### GRANT OF ISSUE MANDATE AND REPURCHASE MANDATE

At the annual general meeting of the Company held on 26th November 2008, the Directors were granted a issue mandate to allot, issue and deal with Shares in the capital of the Company and a repurchase mandate to repurchase Shares on the Stock Exchange. These general mandates will expire at the conclusion of the Annual General Meeting. At the Annual General Meeting, separate ordinary resolutions will be proposed to renew the general mandates given to the Directors (i) to allot, issue and otherwise deal with Shares not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company at the date of passing of the resolution; (ii) to exercise all powers of the Company to repurchase issued and fully paid Shares on the Stock Exchange up to a maximum of 10% of the aggregate nominal amount of the issued share capital of the Company at the date of the passing of the resolution; (iii) to extend the general mandate granted to the Directors to allot, issue and deal with additional Shares as mentioned in paragraph (i) above by the amount representing the aggregate nominal amount of the share capital of the Company repurchased by the Company under the Repurchase Mandate.

The Repurchase Mandate allows the Company to make or agree to make repurchases only during the period ending on the earliest of (a) the date of the next annual general meeting; (b) the date by which the next annual general meeting of the Company is required to be held by law or by its Articles; or (c) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

As at the Latest Practicable Date, the issued share capital of the Company comprised 369,200,000 Shares. Assuming that there is no change in the issued share capital of the Company between the period from the Latest Practicable Date and the date of passing the relevant resolutions, the maximum number of Shares which may be issued pursuant to the Issue Mandate will be 73,840,000 Shares and the maximum number of Shares which may be repurchased pursuant to the Repurchase Mandate will be 36,920,000 on the date of passing the relevant resolutions.

To facilitate future allotment and issue of Shares by the Directors on behalf of the Company, the Directors will seek the approval of the Shareholders for the grant of the Issue Mandate and the Repurchase Mandate. The Directors have no immediate plans to allot and issue any new Shares other than such Shares which may fall to be issued upon the exercise of any options granted under the share option schemes of the Company.

The explanatory statement required by the Listing Rules to be included in this circular is set out in the appendix to this circular.

## APPENDIX — EXPLANATORY STATEMENT

---

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide the requisite information to enable you to make an informed decision whether to vote for or against the resolution to approve the grant of the Repurchase Mandate to the Directors.

### **Listing Rules relating to the repurchase of securities**

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their securities on the Stock Exchange subject to certain restrictions, the most important of which is summarised below. The Company is empowered by its memorandum of association and the Bye-Laws to repurchase its own securities.

### **Share capital**

As at the Latest Practicable Date, the issued share capital of the Company comprised 369,200,000 Shares. Subject to the passing of the proposed resolution for the grant of the Repurchase Mandate and on the basis that no Shares are allotted and issued or repurchased by the Company prior to the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase up to a maximum of 36,920,000 Shares.

### **Reasons for the repurchase**

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders. An exercise of the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company and its Shareholders.

### **Funding of repurchases**

In repurchasing securities, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and the Bye-Laws, the Listing Rules and the applicable laws of Bermuda.

Taking into account the current working capital position of the Group, the Directors consider that, if the Repurchase Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Group as compared with the position as at 30th June 2009. However, the Directors do not intend to make any repurchases to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Group which in the opinion of the Directors are from time to time appropriate for the Group.

### Disclosure of interests and minimum public holding

None of the Directors or, to the best of their knowledge, having made all reasonable enquiries, their associates (as defined in the Listing Rules), have any present intention to sell to the Company or its subsidiaries any of the securities in the Company if the Repurchase Mandate is approved at the Annual General Meeting and exercised.

The Directors have undertaken to the Stock Exchange that they will exercise the power of the Company to make purchases of the Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules, applicable laws of Bermuda and the regulations set out in the memorandum of association of the Company and the Bye-Laws.

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase securities pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

---

## APPENDIX — EXPLANATORY STATEMENT

---

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, each of (1) Hui Sai Chung; and (2) Hui Kwok Kwong were interested in approximately 58.96% and 58.44% of the then issued share capital of the Company. Each of Mr Hui Sai Chung and Mr Hui Kwok Kwong holds 45.1% interest in Good Benefit Limited, a company which holds approximately 53.28% of the issued capital of the Company. Mr Hui Sai Chung and Mr Hui Kwok Kwong are deemed to be holding 53.28% interest in the Company indirectly through Good Benefit Limited under the SF Ordinance. On the basis that 369,200,000 Shares were in issue as at the Latest Practicable Date and assuming no further issue nor repurchase of Shares prior to the date of the Annual General Meeting, if the Repurchase Mandate were exercised in full, the percentage interests in the capital of the Company held by each of (1) Hui Sai Chung; and (2) Hui Kwok Kwong would increase to approximately 65.51% and 64.93% respectively of the issued share capital of the Company.

On the basis of the current percentage interests in the Company of such persons, an exercise of the Repurchase Mandate in full will not result in any of such persons becoming obliged to make a mandatory offer under the Takeovers Code.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that it will result in less than 25% of the Shares being held by the public.

As at the Latest Practicable Date, no connected person (within the meaning ascribed to it in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell any securities of the Company nor has such connected person undertaken not to sell any of the securities held by him/her/it to the Company in the event that the Repurchase Mandate is granted.

### **Securities repurchase made by the Company**

The Company had not purchased any of the Shares (whether on the Stock Exchange or otherwise) during the six months preceding the date of this circular.
